Dos

- *Put the Family Board in a visible location
- *Change the board often enough so families know to look at it
- *Direct the family's attention to it
- *Include helpful, pertinent information
- *Convey warmth and a sense of partnership
- *Make sure it's organized, neat, professional and appealing
- *Remember the purpose is for the families

Do Nots

- *Let board get faded or shabby
- *Become outdated or expired
- *Only include parents on notes-include guardians
- *Put up nasty reminders
- *Post typos or incorrect spelling
