Training Requirements

The Quality Rating and Improvement System (QRIS) orientation by:

- Child care center directors only must complete the Quality Rating and Improvement System (QRIS) orientation prior to star certification; a new director must complete the orientation within 90-calendar days of hire date.
- Family child care home primary caregivers must complete the Quality Rating and Improvement System (QRIS) orientation prior to star certification; a new primary caregiver must complete the orientation within 90-calendar days of hire date.

The Oklahoma's Quality Rating Improvement System, A Framework of Quality is a 30 minute video, is an approved QRIS orientation, and counts as **informal training**.

Note: This video will only be counted one time on your informal training record.
